AREA ATTRACTIONS

Discover history, adventure, and an easily accessible location. More than 400 years of American history live on through magnificent architecture, monument-lined cobblestone streets, and world-class museums. The gorgeous yet intense James River distinguishes the region as the only urban setting with Class IV rapids. See how the Virginia Museum of Fine Arts is expanding its world-class offerings. And with more than 900 restaurants, diverse shopping and enticing events, the region is ideal for more than just great meetings.
