

ALTERNATIVE LODGING

If you are not able to get the room(s) you want at The Omni Homestead directly through their reservations center, don't dismay!

- Some attendees have reported getting rooms through online hotel booking sites like priceline.com, hotels.com, expedia.com, etc.
- There are truly lovely, convenient, and affordable alternatives within very easy driving distance.
 - Go to <https://discoverbath.com/where-to-stay/> and click on the type of accommodations you're interested in...

- Clarkson & Wallace has a # of properties in the area. They also know of several properties that they do not handle themselves. Call Beth at the office at 540-839-2609 or on her cell at 540-968-1521.
- Check directly with VRBO and Airbnb for additional vacation rentals in the Hot Springs and Warm Springs area.
- There are also a number of hotels in Covington, about 25 miles away: <https://covington.va.us/community/area-links/lodging/>

To be put on a waiting list in case we learn of any cancellations, email UVCA meetings manager Pam Grove at pgrove@virginiachiropractic.org – but be sure to go ahead and book lodging elsewhere now!
